Docket No. 99-AFC-5  
Petition of Transfer of Ownership-OMGC

Dear Ms. Lewis:

Please be advised that the ownership transfer of the Otay Mesa Generating Company LLC from PG&E National Energy Group to Calpine Corporation was completed on July 9, 2001. Calpine-Otay Mesa Generating Company LLC (OMGC) is now the owner/operator of the Otay Mesa Generating Project.

The Otay Mesa Generating Company LLC name remains the same and only the ownership has changed. As you are aware Mr. Ed Merrihew is the Compliance Manager for the OMGC project and will be the main point of contact regarding CEC compliance issues.

Calpine-OMGC understands and agrees to comply with the Conditions of Certification for the Otay Mesa Generating project.

Sincerely,

  
PJ Trompeter
